Conditions

In general:

1. Upon signing, mare owner agrees to pay a non-refundable booking fee of € 250,- to reserve a breeding to Stallion for the breeding season 2016.
Mare owner further agrees to pay the entire remaining Stallion Service Fee of € 500,- prior to any shipment of semen or prior to delivery of the mare to the farm.
2. Vet-check your mare for breeding soundness. Work with an experienced veterinarian.
3. Should said stallion die or become unfit for service, stud fee or deposit shall be refunded to the mare owner. However mare owner shall pay for other expenses actually incurred.
4. This agreement includes a live foal guarantee. A live foal is described as a newborn foal which stands and nurses without assistance. If foal is born dead, there are return privileges for the 2017 season only if breeder receives a veterinarian's statement confirming death. If after being pronounced safe in foal, the mare should miscarry, abort, or prove barren, the mare owner has the privilege to return her for the current breeding season of 2017, or the following year 2018. Owner agrees to pay collection fees charged for that particular year, or as agreed to by the parties.
5. All accounts are payable within 30 days of billing date. After 30 days from billing date, interest of 8% per month on the outstanding balance will be assessed. Blacks Ranch Quarterhorses reserves the right to refuse service when the owners account is past due.
6. When Blacks Ranch Quarterhorses signs and returns one copy of this contract to the mare owner, it will be a binding contract on both parties, subjects to all the mentioned and conditions.

When using shipped semen:

7. The mare owner agrees to pay all the freight charges on the container shipments.
8. The mare owner also agrees to pay the return freight charges of the container.
9. The mare owner agrees to pay all charges incurred shipment of semen.
10. When the container does not return before the end of the actual breeding season a fine of 50 euro will be charged.
11. When the mare owner orders a shipment of semen the bill concerning the breeding fee can be expected.
12. It is advisable to get in contact with the breeding station a few days before the mare is expected in heat to give notice of the order coming.
13. The breeding fee includes 2 doses of shipped semen. Each dose contains enough semen to service the mare during one heat cycle. Additional doses will cost € 100,- each, semen transport and container freight not included.
14. An evaluation report of the semen quality will accompany every delivery.
15. We work according to the rules of transported semen of the AQHA and European Law concerning transported semen.

When bringing the mare to Blacks Ranch Quarterhorses (only possible until 30 march 2017)

16. The mare has to be properly vaccinated against Influenza, Tetanus and Rhinopneumonia according to the rules stated by the FEI. The vaccination papers need to accompany the mare when brought to Blacks Ranch.
17. The mare needs to be dewormed prior to bringing her to Blacks Ranch and her feet have to be trimmed. Shoes on the hind should be removed.
18. If the mare has not been in foal she has to be vet-checked for breeding soundness.
19. A CEM-test needs to be done before bringing the mare to Blacks Ranch. The papers with the negative CEM results need to accompany the mare when brought to Blacks Ranch.
20. Costs for mare care are € 10,- a day or € 12,- a day for a mare with foal.
21. When the mare shows signs of illness or parasite infection she will not be accepted by Blacks Ranch staff to board.
22. All costs concerning veterinarian and/or breeding activities are to be paid by the mare owner at the end of every month or when the mare is picked up, whichever of the two comes first.
23. Blacks Ranch Quarterhorses is not responsible for any accident, illness, loss of tack etc.
